

Package Thief

Sent: 2013-05-20 @ 15:21

Case: 13-4918

Author: Sgt. Nikolai

White Male with glasses and mustache

The above pictured Suspect stole a package off of the front porch. He placed the package in the large blue Nike duffle bag he was carrying. The Suspect then rode away on his blue mountain bike.

Based on the size of the duffle bag, I wouldn't be surprised if he steals packages on a regular basis.

Please stop and FI.
